

## Introduction

God's Grace International School was established in the year 2004. The school is a co-educational school with a Christian background. The school is approved by the Cross River State Government and is located in the Calabar Metropolis, with experienced teaching and non-teaching staff. The school's vision is to equip the children with potential that will enable them to face future challenges in a dynamic world. Proper attention is given to sound education based on global best practices and Christian values. Over the years, the products of God's Grace International School have been noted for academic excellence. The school has three academic blocks (one three-storey building and two two-storey buildings).

### Our Vision

God's Grace International School is founded on the following visions:

- ★ World class quality nursery, primary and secondary schools
- ★ Dedicated to discipline and good moral up-bringing of children
- ★ Developing a total child to face future challenges

God's Grace International Schools  
We are victorious  
In the name of the lord  
We shall always be the head  
Because God is ever with us

The Lord has promised  
He will be our guide  
His light will continuously shine upon us  
Our enemies shall not see our back  
Because God is ever with us
